In a video statement, Vice President Sara Duterte calls on government agencies to intensify price monitoring of fuel, basic commodities. She also urged government to strengthen efforts vs hoarding.

She also shared tips on conserving electricity and fuel.

"Sa mga ahensya ng gobyerno na may tungkulin dito, kumilos na kayo- Kailangan bantayan ang presyo ng langis at epekto nito sa pangunahing bilihin at transportasyon; magbigay ng maagang babala at magbigay ng paliwanag para sa mga mamamayan," she said. | via Job Manahan, ABS-CBN News

Mananatili pa rin sa kulungan si dating pangulong Rodrigo Duterte matapos pagtibayin ng International Criminal Court (ICC) Appeals Chamber ang desisyon ng ICC Pre-Trial Chamber I na ikulong siya sa ICC detention facility.

Nahaharap sa kasong crimes against humanity si Duterte kaugnay sa madugong war on drugs.

I just want to say this from my heart.

I'm not pretending like nothing happened. I feel the pain every single day. Masakit na masakit.
I acknowledge his mistakes and I know this is something that could have been avoided. I even prayed and asked God many times na sana panaginip lang lahat... but it's not. Nangyare na ang nangyare. And now we have to face it. Matagal man na nagawa pero same padin yung sakit. Wag nyo ako pag sabihan na 'di ko maiwan dahil wala akong choice?' Meron po. Meron akong choice at eto ang pinili ko ang magpatuloy. This is not just about me as a wife anymore. It's about us as a family.

Ako lang ang nakakaalam how painful this has been for me. The sleepless nights, the tears, the questions in my head. Pero I also know how beautiful our family is. I know what we have. And I know what we could lose.

Trust is hard to rebuild. Alam na alam ko na yan. It will take time, consistency, and real change. My husband will take

We are holding on to our faith in God. Siya talaga ang strength namin ngayon. And we're also holding on to the love we have for each other even if it's been tarnished, even if it's been hurt.
Oo, nasaktan. Oo, nadumihan. But that doesn't mean the love is gone. Nasubok. And sometimes, love gets tested in ways we never expected.

I don't know what else to say except please... be KIND.

Pinipili naming ayusin. Pinipili naming magpakatatag. Pinipili naming protektahan ang pamilya namin.

Hindi man perfect ang story namin, pero totoo ang pagmamahal namin. And with God at the center, we believe healing and restoration are still possible.

Spare me and my family. PLEASE Stop being harsh. I stand with my husband despite his mistakes. I am his wife. And I am the only one who can decide for our family not the opinions, not the noise, not the judgment.

Thank you to those who sent messages with love and

‘MADALI MAGPADALA NG EROPLANO’

Iminungkahi ni Vice Pres. Sara Duterte na madali umano magpadala ng eroplano para sa mga Pilipinong stranded sa gitna ng umiiral na sigalot sa Middle East.

In Colombia's congressional elections, preliminary results show President Gustavo Petro's left wing block has come out on top in the senate with the right wing Democratic Center party, founded by former President Álvaro Uribe edging ahead in the House of Representatives. Voters had to fill 102 Senate seats and 182 House seats, as well as choosing presidential candidates from the major parties in a primary style vote, ahead of presidential elections in May.

#REELS TALK
Babala vs adiksyon sa porn
Usually, ang naaadik sa masturbation ay 'yung nanonood ng porn. In other words may tinatawag na porn addiction.
Later on, 'pag nag-asawa ka na, iba po ang solo sex sa partnered sex. If you're addicted [to porn and masturbation], you don't even do lovemaking. You don't want to make love with your wife anymore kasi mas gusto mo yung grip mo, ayaw mo na dun sa asawa mo.

Ano pa nga bang hinihintay ni Pangulong Marcos Jr.? Anong pumipigil sa kanya na bumalik ang Pilipinas bilang miyembro ng ICC?
BBM should change his position and make the Philippines rejoin the International Criminal Court. His current and continued posture sends the wrong signal both to the Filipino people and the global community. On the other hand, rejoining the ICC would assure the Filipinos that future tyrants and mass murderers would be brought to justice and held to account for their atrocity crimes, should our domestic system prove unwilling or unable to investigate and try the cases. Conversely, by remaining outside the ICC, the government risks perpetuating doubts about our country's commitment to justice and weakening the political and moral resolve to go after perpetrators and masterminds of international crimes.

In this address to the **United Nations Commission on the Status of Women** (0:39), Philippine President **Ferdinand Marcos Jr.** emphasizes that the status of women is a fundamental measure of a nation's progress (0:52). He argues that true development cannot be achieved if women are not empowered to lead, work, and decide the course of their own lives (1:14).

Key highlights from the speech include:

- **Women as Nation Builders: Marcos** highlights that Filipino women are central to national life, serving as leaders, innovators, and educators (1:43-2:00).
- **Policy and Progress:** The Philippines has worked to strengthen protections for women and expand opportunities for education and employment, though the journey toward full equality is far from complete (2:08-2:36).
- **Calls to Action:** The President stresses the need for continued investment in **education**, **economic empowerment**, and concerted efforts to eliminate **violence against women** (3:03-3:44).
- **Cultural Change:** He emphasizes that true equality requires not just policy changes, but a **cultural change** in attitudes and assumptions (3:59-4:14).
- **Global Challenges: Marcos** argues that global challenges like conflict and climate change cannot be solved if half of humanity is excluded from shaping the solutions (4:28-4:39).
